Message from the Vice-Chancellor, BITS Pilani

Dear Prospective Student,

Choosing a university or deciding upon what discipline to study can be exciting for some students. For others, it can be quite daunting since decisions of this nature will play a major role in determining your career prospects. We invite you to explore the opportunity to study with BITS Pilani at its newest campus in Hyderabad. This website will help you find information on our academic programmes, curricula, tuition fees, scholarships as also life on the campus. Should you still have any unanswered question do not hesitate to contact us.

BITS Pilani is one of India's most sought-after institutes offering undergraduate Science and Engineering programmes in India. Currently 12,000 students are studying for an undergraduate, postgraduate or PhD degree in our fully-residential campuses in Pilani, Dubai, Goa and Hyderabad. Having made its mark in India, BITS Pilani now aspires to be a leading research-led university, while continuing to engage with industry through its internship and work-integrated learning programmes. With a growing number of students from different countries, BITS Pilani looks forward to providing rich and global experience inside and outside the classrooms to its diverse student population.

Professor BN Jain,
Vice-Chancellor, BITS Pilani.

1. Birla Institute of Technology and Science (BITS), Pilani

The Birla Institute of Technology and Science, BITS Pilani, is a deemed university under the University Grants Commission (UGC) of India. The University is a dream come true of its founder late Mr G.D.Birla - an eminent industrialist, a participant in Indian freedom struggle and a close associate of the Father of Indian Nation late Mr. Mohandas Karamchand Gandhi (Mahatma Gandhi).

The flagship campus of BITS, at Pilani (Rajasthan), had a strong technical collaboration with MIT (USA) during its inception, under the Ford Foundation Grant. BITS has been accredited with the highest grade 'A' by the National Assessment and Accreditation Council of India and ranked 6th among Engineering Institutes in India, which includes government funded Indian Institute of Technology (IIT).

BITS Pilani's commitment to transparency and stress on equal opportunity has been a key contributing factor behind its emergence as an institute of national repute. The University's rigorous intake process rewards only merit and ensures that only truly motivated students join BITS.

In addition to academics, we also focus on providing students with opportunities for all round development. There is a culture of freedom coupled with a holistic environment for multidimensional growth. The students of the campus are truly ready to become the innovators of tomorrow.

More information about BITS: www.bits-pilani.ac.in

2. Why enroll at BITS?

- Ranked No.1 among private universities & 6th among all Engineering institutes in India,
- Top class research-focused faculty,
- Purely merit-based student admissions,
- Three Indian campuses at Pilani, Goa and Hyderabad and one international campus at Dubai,
- Over 12,000 on-campus students,
- Option for six-month industrial training for students through a unique programme called 'Practice School',
- Record of impeccable placements in Indian & multinational companies,
- Alumni in leadership positions in industry and academia.

3. Eligibility

A student who satisfies all of the following criteria is eligible to apply:

- Only citizens of a country other than India may apply.
- Candidate should have passed qualifying examination (Grade 12) with Physics, Chemistry, Mathematics and English conducted by the country's Board of Higher/Senior Secondary Education, including those in India, or its equivalent examination such as the "A" levels (conducted by Cambridge International), the International Baccalaureate, etc.
- Candidate should have obtained a minimum of 75% aggregate marks (or 7.5 grade on 10 point scale), in Physics, Chemistry and Mathematics in the above examination.
- Candidate should have scored at least 60% marks (or 6.0 grade on 10 point scale) in each of Physics, Chemistry, and Mathematics in the above examination.
- Candidate should have a minimum aggregate score of 1600 (out of maximum of 2400) in SAT, and also a minimum aggregate score of 1600 (out of maximum of 2400) in SAT Subject Tests in Physics, Chemistry and Mathematics Level 2.

IMPORTANT NOTES

1. Candidates who have passed the qualifying examination in 2014 may apply.
2. Candidates who do not have any of the following marks/scores at the time of applying, can submit the application:
 - (i) SAT score (yet to take SAT)
 - (ii) Qualifying examination results (appearing in qualifying examination in 2015).

They MUST submit the SAT score/qualifying examination result as early as possible, but NOT later than the dates given below:

- (i) SAT score – June 8, 2015.
- (ii) Qualifying examination results – September 15, 2015.
3. If a candidate fails to furnish any of these by the specified date or fails to meet the eligibility criteria (i.e. secures less than specified minimum in Class 12 and/or SAT test and thus becomes ineligible), his/her admission would stand cancelled. See Refund Policy for fees refunds.
4. Candidates for whom one or both of the above scores are not available at the time of making admission, would be considered and may be offered 'provisional admission' based on their SAT Subject tests score.
5. The 'provisional admission' would be confirmed after the missing score/s is/are received, found to meet the stipulated eligibility requirements, and all stipulated admission requirements are complete.
6. Candidates who do not have SAT Subject Test scores (or yet to take the SAT Subject Tests) should provide SAT Subject Test scores by March 1, 2015 to be included in merit list.

4. Admission Process

Candidates applying to the undergraduate programme at BITS-Pilani are required to:

1. Appear for Grade 12 (qualifying) examination, Scholastic Assessment Test (SAT) and SAT subject tests (in Physics, Chemistry and Mathematics Level 2)
2. Request College Board to send SAT scores to BITS-Pilani (DI code: 7759 – BITS Pilani). The SAT Subject scores must be received by March 1, 2015 and the SAT scores must be received no later than June 8, 2015.
3. Fill the application form online
4. Upload the required documents such as Grade 12 marks sheets, photograph, copies of passport, etc. (if transcripts are not available, submit by September 15)
5. Submit the application and pay the application fee.
6. On receipt of the completed application and application fee, an acknowledgement will be sent to the candidate via email. During processing of the form, additional or missing information may be requested. Please quote the application number in all your correspondences related to admissions.
7. The merit position of all eligible candidates will be prepared on the basis of their SAT subject test scores.
8. Candidates may also be interviewed before offering admission.

Offer letters will be sent to students in the 2nd week of March with details of reporting date, scholarship and other requirements. Students will be given ten days to accept the offer and pay the first semester fees.

Once the fee is paid, BITS would send admission letters and the student should then apply for VISA using the admission letter from BITS.

4.1 FAQs on Admission Process, Eligibility

- What is SAT and where can I take the SAT and SAT Subject Tests?

SAT stands for Scholastic Assessment Test and is administered by College Board, USA. The SAT is a globally recognized college admission test that tests your knowledge of reading, writing and math - subjects that are taught every day in high school classrooms.

- What is the Designated Institution (DI) code of BITS Pilani for SAT?

Designated Institution (DI) code is 7759 - BITS Pilani.

- When will I hear if I've been admitted?

You will be informed of our admission decision by 2nd week of March.

- Does BITS Pilani maintain admission wait-lists?

Yes, BITS Pilani maintains wait-lists.

- What is the last SAT sitting that BITS Pilani will accept for applicants?

We suggest that applicants take all SAT tests by January of their Grade 12 year.

- Is an interview part of the selection process?

You may be interviewed before the final decision on admission is made. You may appear for the for the interview remotely.

- Does BITS Pilani provide scholarships?

Merit-based scholarships are available for all the admitted students in the form of tuition waivers which range from 30% to 80%. In the first semester, scholarships will be awarded based on the candidate's standing in the merit list. Continuation of the scholarship in subsequent years will depend on performance of the student at BITS.

- What is the medium of instruction?

All lectures and official communications are in English.

- What if my results are not available at the time of admission?

Without SAT Subject scores your application to BITS Pilani would be incomplete. In case your Grade 12 (qualifying examination) results are not available when you apply, you will be offered conditional admission based on other eligibility criteria. However, you would need to submit results by September 15th failing which your admission would be cancelled.

- Are admissions open to all the four campuses?

For the academic year 2015-2016, admissions are open only at the Hyderabad campus of BITS (Pilani).

- Is it possible for a citizen of a country other than India to choose the admission via either of the intake processes, that is, BITSAT or International Student Admission?

A student who is a citizen of a country other than India can choose to appear for both the modes of admission, that is, BITSAT and International Student Admission (ISA), provided eligibility criteria for each of the modes are met.

Through ISA, admissions are open only to the Hyderabad campus.

The timeline for the two modes of admission are different.

- Where is Hyderabad?

Hyderabad, the City of Pearls, is located in the north-western part of the State of Telangana in southeastern India.

- What about Visa?

Most foreign nationals need a Student Visa to study in India. Admitted students would need to apply for a visa at the Indian Embassy/Consulate in the country that they reside in.

- How do I reach the campus?

BITS Pilani would arrange for pick-ups from the airport at Hyderabad.

5. Orientation Week

Orientation week gives you an opportunity to:

- Acclimatize to the Indian environment,
- Get familiar with the BITS Academic system,
- Get to know your way around campus and to meet your peers,
- Check out the city's main attractions, on a guided tour organized by BITS.

6. Undergraduate Programme Overview

BITS Pilani offers thirteen Engineering and Science programmes for international students in the academic year 2015-2016 at the Hyderabad campus.

Bachelor of Engineering (B.E. Honours)

These four year programmes in Engineering are a combination of Mathematics and Science based courses and incorporate up to date techniques of analysis and synthesis.

Chemical Engineering

Civil Engineering

Computer Science Engineering

Electronics Communication Engineering

Electrical & Electronics Engineering

Electronics & Instrumentation Engineering

Mechanical

Manufacturing Engineering

Master of Science (M.Sc Honours)

These are four year integrated degree programmes without any intermediate Bachelor of Science degree. While these programmes ensure the required science component in any comparable post-graduate science degrees of other Universities, they also incorporate many courses which have been notionally considered to be the preserves of Engineers.

Biological Sciences

Chemistry

Economics

Mathematics

Physics

7. Programme Structure (B.E. and M.Sc.)

Integrated Degree Programmes in Bachelor of Engineering and Master of Science have several common courses. These degrees are based on a modular structure and their academic requirements are spelt out in respect of the number of courses and units. All these programmes are structured in such a way that normally a student will be able to finish a programme in eight semesters. The flexibility of the institute allows a student to do his programme at a faster pace and finish it earlier than eight semesters or at a slower pace to finish later than eight semesters.

Category	Number of Credits/Units Required	Number of Courses Required
(I) General Institutional Requirement		
Humanities Electives	8	3
Science Foundation	12	6
Mathematics Foundation	12	4
Engineering Foundation	6	2
Technical Arts	10	4
General Awareness / Professional Courses	3 to 6	1 to 3
Sub-Total	51 to 54	20 to 22
(II) Discipline Requirement		
Core	33 to 48	10 to 16
Elective	12 to 27	4 to 9
Sub-Total	57 to 60	15 to 20
(III) Open Electives	15 to 27	5 to 9
Course work Sub-Total	126 (minimum)	40 (minimum)
(IV) PS-I and II	25	2
OR	OR	OR
Thesis	9 to 16	1
Total	141 (minimum)	41 (minimum)

7.1 FAQs on Programmes

- What is practice school?

During Practice School (PS), the classroom is shifted to a professional location where the students, under the supervision of the faculty are involved in applying the knowledge acquired in the classroom to finding solutions to real life problems. The PS programme consists of two components: PS-I of 2 months duration implemented during the summer following the second year and PS-II of 5 ½ months duration, implemented during either of the semesters of the final year.

- What is the Thesis option?

An integrated undergraduate degree programme student must opt for either Thesis or Practice School in their final year of study. In the Thesis option, students will be assigned a topic of research on which they are required to work either at BITS or at a collaborating organization for a duration of five and a half months.

8. Fees

BITS Pilani Fee structure for Academic Year 2015-16 for International Students
(Each Academic Year consists of two semesters: First Semester is between August and December; Second Semester is between January and May. There is an optional Summer Term during May-July)

(All figures in USD)

	One Time	Semester 1	Semester 2
Application Fees (or INR 3100)	50		
One time Fees (Payable at the time of Admission)			
Admission fees	800		
Facilitation fee (covering charges for local travel, room and board during "orientation" in 1st month)	200		
Institute Caution Deposit (Refundable on graduation or leaving the Institute, after adjusting all dues).	500		
Annual Fees (Payable along with First Semester Fees)			
Students' Union, Student Aid Fund		50	
Semester Fees (Payable before the beginning of Semester)			
Tuition Fees		4650	4650
Hostel Fees and Internet Charges		400	400
Mess and Electricity Advance (this is adjusted against mess and electricity bills at the end of each semester).		250	250
Totals	1550	5350	5300
Tuition Fee Waiver (minimum at 30%)		1395	1395
Net Payable with minimum 30% Tuition Fee Waiver	1550	3955	3905
In addition to the above, students may be required to pay for food, electricity; Medical/Health and other insurance; Visa (Application Fees/Renewal Fees) etc.			
Scholarships - Tuition fee waiver is based on merit: 10% students will get 80% waiver, 20% will get 50% and the balance will get 30% Tuition fee waiver.			
The above semester fee is for foreign students admitted in academic year 2015-2016 for undergraduate programmes. 2016 onwards, fees <u>will</u> be revised upwards every year, but will <u>not</u> increase beyond 10% each year (unless the government announces any new levy/tax, which will be passed onto all existing students irrespective of their year of entry).			

Other Fees (based on options selected), payable as and when required:	
Summer Term Tuition Fees	35% of Semester Tuition Fees in corresponding Academic Year
Summer Term Hostel Fees	50% of Semester Hostel Fees in corresponding Academic Year
Practice School I	35% of semester tuition fee in corresponding Academic Year
Practice School II	35% of semester tuition fee in corresponding Academic Year
Minor Certificate Fee	6% of semester tuition fee in corresponding Academic Year
Placement Charges	3% of semester tuition fee in corresponding Academic Year

Fees required to be paid at the time of Admission (in USD)

(All figures in USD)

Admission fees	800
Facilitation fee (covering charges for local travel, room and board during "orientation" in 1st month)	200
Institute Caution Deposit (Refundable on graduation or leaving the Institute, after adjusting all dues).	500
Students' Union, Student Aid Fund for AY 2015-16	50
First Semester Tuition Fees *	4650
First Semester Hostel Fees and Internet Charges*	400
First Semester Mess and Electricity Advance (this is adjusted against mess and electricity bills at the end of semester).	250
Total	6900
Less Merit Scholarship @30% (minimum) of Tuition Fees	1395
Net payment required at the time of Admission with minimum tuition fee waiver @ 30%	5505

Fee Schedule for the Academic Years 2015-2019 for International Students admitted to the four year Undergraduate programme

The table below gives the estimated expenditure for International Students for four years for the undergraduate programmes (All figures are in USD).

Academic Year >		2015-16		2016-17		2017-18		2018-19		Row totals
Semester >		1	2	1	2	1	2	1	2	
Application Fees	50									50
One time Fees (Payable at the time of Admission)										
Admission fees	800									800
Facilitation fee (covering charges for local travel, room and board during "orientation" in 1st month)	200									200
Institute Caution Deposit (Refundable on graduation or leaving the Institute, after adjusting all dues).	500									500
Annual Fees (Payable along with First Semester Fees)										
Students' Union, Student Aid Fund		50		60		60		70		240
Semester Fees (Payable before the beginning of Semester)										
Tuition Fees		4650	4650	5,020	5,020	5,420	5,420	5,860	5,860	41,900
Hostel Fees and Internet Charges		400	400	430	430	470	470	510	510	3,620
Mess and Electricity Advance (this is adjusted against mess and electricity bills at the end of each semester)		250	250	270	270	300	300	330	330	2,300
Total	1,550	5,350	5,300	5,780	5,720	6,250	6,190	6,770	6,700	49,610
Net with MIN. TF WAIVER @ 30%	1550	3,955	3,905	4,274	4,214	4,624	4,564	5,012	4,942	37,040
Fees for Options (Payable as and when required)										
PS1 fee in AY 2016-17					1,760					1,760
PS2 fee in AY 2018-19									2,050	2,050
Placement Charges (AY 2018-19)									180	180
Total for options										
Net with Options (LESS MIN. TUITION WAIVER @ 30%)	1,550	3,955	3,905	4,274	5,446	4,624	4,564	5,012	6,557	39,887
Net estimated cost after refundable deposits										39,387
Tuition fee waiver is based on merit: 10% students will receive 80% waiver, 20% to get 50% waiver and the balance will get 30% waiver. 100% students are covered; while the average fee waiver is 39%.										
The above fee for foreign students admitted in academic year 2015-16 onwards are estimated with 8% upwards increase every year. The fee increase may be less but will not be beyond 10% each year (unless the government announces any new levy/tax, which will be passed onto all existing students irrespective of their year of entry).										

10.1 Scholarship Policy

1. All international students admitted under the scheme will be provided merit scholarships in the form of tuition fee waiver as follows:

10% of the students will be granted 80% tuition fee waiver, the next 20% of the students will be granted 50% tuition fee waiver, the next 70% of the students will be granted 30% tuition fee waiver.

2. Subsequently all scholarships will be for a semester only.

3. The student must maintain minimum academic performance to be eligible to receive scholarships. The specific conditions are as follows:

a. To be eligible for merit scholarships for a semester the student should have obtained a Cumulative Grade Point Average (CGPA) of at least 4.5 at the end of the previous semester.

b. The student should not have obtained more than one E grade in the registered courses in the previous semester.

4. Merit scholarships will be provided only for the normal duration of the programme.

10.2 Rules for Payment of Fees and Refund Policy

For the International students the rules concerning payment of fees and refund thereof are as follows:

1. Candidates offered admission (or provisional admission) to any programme have to pay the required fee within the deadline mentioned in the offer letter. This includes the admission fee and first semester fees.

2. If a candidate does not report for admission on the specified date then his or her admission will be automatically cancelled and the candidate will forfeit the entire admission fee. The balance of the fees paid by the candidate will be refunded.

3. If the candidate joins the Institute and subsequently withdraws either before the registration for courses or after the registration for courses, he or she will forfeit the entire amount of fees paid by him or her.

4. Candidates placed on the waiting list will have to pay the admission fee of 800 USD and subsequently if admission is offered they should pay first semester fees mentioned in the offer letter within the stipulated time. If admission is not offered to a wait-listed candidate, the entire admission fee will be refunded.

5. If a candidate, who has been placed on the waiting list and has paid the admission fee and is subsequently offered admission, then chooses to withdraw his or her application, he or she cannot claim refund of admission fee.

6. If a candidate with provisional admission offer does not meet eligibility requirements and informs BITS Pilani (or withdraws his application) before date of reporting for admission, s/he will forfeit the admission fees.

7. If a candidate with provisional admission offer does not meet eligibility requirements and informs BITS Pilani after joining the institute, s/he will forfeit the fees as specified in 3 above.

8. While paying fees a candidate cannot stipulate any conditions such as changing order of preferences, addition or deletion of preferences etc. If any such condition is mentioned by the candidate while paying fees, the fee will not be accepted.

10.3 FAQs on Fees

- Does every admitted student get a tuition fee waiver in the first academic year?

Yes, every international student admitted to any undergraduate programme is entitled to a tuition fee waiver, ranging from 30% to 80%.

- At the time of admission, do I have to pay fees for the entire academic year?

At the time of admission, only first semester fees are to be paid

- Can I pay my fee in instalments?

Fee for any semester cannot be paid in instalments.

- Can I work on a student Visa?

Visa restrictions do not permit students to work in India.

11. Visa

India is known for its educational excellence, and it is a popular destination for many international students. International students should obtain a Student Visa valid for the full duration of the course from the Indian Consulates/Embassy situated in their own country.

A student would bear the responsibility to ensure that visa should be applied well in advance at the Indian embassy in his/her country. It takes at least three weeks for the Indian Embassy to issue a student visa.

BITS Pilani admission letter should be used to obtain student visa. International students taking admission at BITS, Pilani should make sure that the student visa is endorsed to BITS, Pilani by the visa issuing authority.

After entering India, within 14 days, international Students (other than PIO/OCI Card holders) are required to register themselves with the Foreigners Regional Registration Officer (FRRO)/Foreigners Registration Officer (FRO). Office of International Students (OIS), BITS Pilani, will facilitate the Registration.

11.1 FAQs on Visa

- What is the duration of a Student Visa?

Student Visas are issued for the duration of the academic course of study or for a period of five years whichever is less, on the basis of letters of admission from BITS, Pilani.

- Where should I apply for a student visa?

You should approach the Indian Embassy/Consulate in your home country to apply for a student visa.

- Can a foreign student change his/her Institute/University after coming to India on student Visa?

The name of the Institute/University is to be mentioned while applying for the visa, which is then mentioned on the visa. A request for the change of university or institution subsequently made cannot be considered. In this case a foreign student would need to go back to his/her home country and apply for a new visa.

- Can BITS Pilani assist in getting student visa?

Student would be responsible to get the student visa. BITS Pilani would issue a letter of admission (after all requirements are met), this letter is to be used for getting the student visa.

12. Life on Hyderabad Campus

Photo courtesy: Student members of the Photography Club, Photog, BITS Pilani Hyderabad Campus

BITS Pilani, Hyderabad is a fully residential campus, spread over a lush-green area of over 200 acres. Surrounded by natural beauty, the campus is about 70 kms from the Rajiv Gandhi international airport and 27 kms from the cosmopolitan city, Hyderabad.

Spacious labs, well furnished and air-conditioned classrooms, technology-enabled lecture theatres and network infrastructure, all come together to make BITS Pilani, Hyderabad an extremely well equipped campus. Apart from the academic block containing classrooms, laboratories, computer terminal rooms and the library, the campus houses separate hostels for boys and girls, a Student Activity Centre (SAC), residential quarters for faculty and staff, a medical centre, shopping complex, football ground, cricket ground, basketball, volley ball and tennis courts and playgrounds for children.

Each student hostel room is equipped with modern furniture, internet connectivity and round the clock security. Floor-wise common room facilities such as cable TV, magazines, newspapers, and recreational facilities such Table Tennis, Chess and Carom boards are also available.

Campus life at BITS-Pilani, Hyderabad is vibrant and stimulating. Student calendars are filled with a healthy mix of academics as well as extracurricular activities through various clubs and departments. All clubs, fests and activities are managed by a student-elected body

called the Students' Union (SU). A wide variety of technical, cultural and sports related campus events give students an opportunity not only to excel professionally and develop their personality but also to have a healthy dose of fun! With this comes a strong feeling of community, which helps make the campus a home away from home.

12.1 FAQs about Life in Hyderabad Campus

- Where can my parents stay?

The admission packet sent to you, would contain a list of hotels where you could make your arrangements.

- Would my electrical device work in India?

The power in India is 230 volt and 50 Hz, you may need an adapter for your device.

- Would my cell phone work in India?

Mobile phones in India operate using GSM technology and function within 900/1800 MHz ranges. If you already own a GSM phone and if your home country too operates within the same GSM range, you can use your phone in India.

- What is the Indian currency and where can I get it?

Indian currency is called Rupee (INR). You could either bring Indian Rupee from your country or convert your currency into Indian Rupee at the airport or at the Bank on Campus.

- Is there a Bank on Campus?

Cannought Place, the shopping complex on campus has a branch of State Bank of Hyderabad (SBH), where you can open an account.

- Are there any student clubs on campus?

There are many clubs and associations on campus. To list a few:

- * Lights and Sounds Department
- * English Language Activities Society (ELAS)
- * BITS Embryo
- * Music Club
- * Dance Club

- * Photography Club
 - * VFX Club
 - * Shades - The art club
 - * Quiz Club
 - * Dramatics club
 - * Ad-Astra - The Astronomy club
 - * Crux - the coding society
 - * Centre for Entrepreneurial Leadership
 - * The Society Involved In Re-Inventing India (SIRI)
 - * SAE (Society for Automotive Engineers) India - BPHC Chapter
 - * Design For Change (DFC) - BPHC Chapter
 - * Center for Innovation, Ideation and Entrepreneurship
 - * Linux User Group
 - * BPHC Android Group
 - * Student Mentorship Programme
 - * Automation and Robotics Club
 - * Hindi Club
- What is the weather like in Hyderabad?

Hyderabad has a tropical wet and dry climate bordering on a hot semi-arid climate. Summer, between March to June are hot and humid, with average highs in the mid 30s Celsius; maximum temperatures often exceed 40°C (104°F) between April and June. Winter lasts for only about 2 1/2 months, during which the lowest temperature occasionally dips to 10°C (50°F) in December and January. May is the hottest month and January, the coldest.
