

As per the announced dates in the admission brochure, the last date to receive SAT subject scores is 10th April 2019. Few aspirants have approached us requesting extension of time to submit SAT subject scores since they will be appearing in SAT subject tests on 4th May 2019. Considering these requests, this is to inform that:

(i) For those who submit SAT subject scores by 10th April 2019, the admission offers to selected candidates will be made in the 4th week of April 2019 (as already announced).

(ii) Those who appear in SAT subject tests on 4th May 2019 can apply till 29th May 2019 through the website (<http://sites.bits-hyderabad.ac.in/internationalstuadm/>). However, they will be considered for admission only to those degree programmes in which seats are remaining under International students' admissions scheme. Such admission offers, for remaining seats if any, will be released in the 1st week of June 2019.
